**Love is the New Religion
A Spiritual "Conspiracy"**

On the surface of our world right now
There is war, violence, and craziness
And things may seem dark.

But calmly and quietly
At the same time
Something is happening underground.

An inner revolution is taking place
And certain individuals
Are being called to a higher light.

It is a silent revolution
From the inside out
From the ground up.

This is a global co-operation
That has sleeper cells in every nation.
It is a planetary Spiritual Conspiracy.

We are in every country and culture of the world
In cities big and small, mountains and valleys
In farms and villages, tribes and remote islands.

Most of us work anonymously
Seeking not recognition of name
But profound transformation of life.

With the individual and collective power
Of our minds and hearts
We spread passion, knowledge, and joy to all.

Some call us the Conscious Army
As together
We co-create a new world.

Our orders come from the Spiritual Intelligence Agency
Instructing us to drop soft, secret love bombs
when no one is looking.

Movies-Meditation and Prayer-Dance-Websites
Social Activism-Blogs-Random Acts of Kindness

We each express ourselves
In our own unique ways
With our own unique gifts and talents.

"Be the change you want to see in the world"
That is the motto that fills our hearts.
We know this is the path to profound transformation.

We are now recruiting.
Perhaps you will join us
Or already have.

For in this spiritual conspiracy
All are welcome, and all are loved.
The door is always open.

It all started when 5-year-old Phoebe noticed a homeless man on her way to preschool... she started a campaign that raised over \$3,000 for her local Foodbank. KarmaTube is a website dedicated to bringing us the **good news** of people's generosity and kindness.

You can watch Phoebe's story by clicking the link below.

The website HelpOthers.org has oodles of ideas to help make the world a better place, including Smile Cards, which they'll send you for free (or you can download the file and print out your own). It's a game of tag where you

do something uplifting for someone, then give them a smile card and ask them to "pass it on."

Thanks to Linda C. from California for the above links.

The world has changed... pass it on

One of the best compliments you can give me is referring me to someone you know. So if you enjoy reading "Living It Daily," and think your friends, family, co-workers and acquaintances would get something out of this discussion of working with Inner Guidance and the Law of Attraction, please forward the newsletter to them and invite them to join my mailing list.

Thanks,
Suzanne
